

Session 4 Discussion

- Ministry of the Environment and Ministry of Industry and other ministries should collaborate / dialogue such as SWMC of the Philippines.
- How to convince inter-ministerial collaboration is beneficial?
- Continuous efforts for stakeholders engagement to improve.
- Lack of incentives to change behaviors. How to make incentives under legislation.
- Taiwan: 10 years experience to invite different stakeholders/ ministries to sit together.
- Korea: Policy implementation of SWM. 1986: Fundamental law. 2003 EPR law. 2008 WEEE and ELV law. Because of political leadership(Change in political power: NGO influenced policies). 4 Ministers are from NGOs
- Implementation plan/time schedule between legislation and implementation (stakeholders dialogues/ opinion hearings/)
