Introduction of the Workshop

Masaya Fujiwara
Integrated Research Programme Manager,
Principal Fellow, IGES
Joint WS to Improve Regional Distribution of the CDM

◆ Over 4,200 project activities have been registered under the CDM out of which around 75% are in Asia. However, distribution across the region is not uniform. Over 30 countries are still lagging behind with fewer than 10 registered projects.

◆ This workshop supports commitments pledged in Nairobi (2005) and Copenhagen (2009) for enhanced distribution of CDM projects and capacity development at the regional and sub-regional levels.

◆ Joint workshop with ADB, IGES, UNFCCC secretariat and in partnership with UNEP Risoe Centre to improve the regional distribution of CDM in Asia and the Pacific.
History of Joint WS

1st Workshop
Date: 8-9 September 2010
Place: ADB Headquarters, Manila, Philippines
Topics: CDM reform,
Results: more than 100 participants and 24 project ideas were identified

2nd Workshop
Date: 6-7 September 2011
Place: Radisson Hotel, Kathmandu, Nepal
Topics: Standardized baselines
Results: more than 137 participants from 29 countries and 33 project ideas were identified
Key Features of the WS

◆ Diversity
  ✓ DNA, DOEs, Developers, Financers, Consultants, Experts, International Organizations

◆ Technicality
  ✓ PoA and standardized baseline

◆ Bringing tangible output
  ✓ CDM Reform: Perspective from participants
  ✓ One-on-one project consultations
Objectives of 3rd Joint WS

◆ Programme of Activities and Standardized baselines
  ✓ Regulatory Framework and common issues
  ✓ Practical experience for development/implementation

◆ Taking stock of the past experience
  ✓ Sectoral Experience and lessons learned
  ✓ Good practices

◆ Developing future actions
  ✓ Regional Group discussion and formulation of proposals
  ✓ Panel sessions with all the supporting organizations
Structure of Day 1

Opening and Introduction

Session 1: Regulatory Framework on SB and PoA

Session 2: Addressing Common Issue of PoA

Session 3: Best Practice and Lessons Learned

- Waste
- Energy Efficiency
- Transport
- Small RE
Structure of Day 2

Session 4: Addressing Financial Issues

Session 5: Exercising the Hands-on PoA Development
- East-South East Asia
- South, Central and West Asia
- Pacific and Islands States

Session 6: Developing Actions Plans for Asia and Pacific
- Regional Group Thematic PoA and SB Action Plans
- Regional Group Thematic PoA and SB Action Plans
- Regional Group Thematic PoA and SB Action Plans
Structure of Day 3

Session 7 (Part 1): Presentation of Working Group

Session 7 (Part 2): Comments from Panel Members
Panel: ADB, IGES, UNFCCC, UNEP-Risoe
Selection of best action plans

Session 8: Concluding Plenary
Closing remarks
