Authorized by the Governor of Kanagawa Prefecture on April 21, 1997
Amendments Approved by the Prime Minister of Japan on March 31, 1998
Amended on February 23, 2001
Amended on August 20, 2002

Chapter 1 General Provisions

(Name)

Article 1

This institute shall be called the Institute for Global Environmental Strategies (hereinafter “the Institute”).

(Office)

Article 2

1. The headquarters of the Institute shall be situated at 2108-11, Kami Yamaguchi, Hayama-machi, Miura-gun, Kanagawa Prefecture.
2. The Institute may establish other offices where needed upon resolution of the Board of Directors.

(Objectives)

Article 3

The Institute, based on the Charter for the Establishment of the Institute for Global Environmental Strategies (hereinafter “the Charter”), shall strive to carry out policy oriented research and related activities to develop and formulate innovative policy instruments and environmental strategies for sustainable development (“Strategic Research”), aiming at creating a new paradigm for global civilization; and to make the results of the Strategic Research applicable for the policy making and decision making of a broad range of entities so that sustainable development can be achieved globally, inter alia in the Asia-Pacific Region.

(Activities)

Article 4

In order to achieve the objectives outlined in the preceding article, the Institute shall undertake the following business activities:

- 1) conduct Strategic Research, including joint research with international organizations, national and local governments, research and academic institutions, corporations, and NGOs (hereinafter “other organizations”);
- 2) conduct Strategic Research in response to requests from other organizations; and provide information and recommendations on the formulation of strategies for sustainable development to those bodies as required;
- 3) convene international conferences and seminars and conduct other capacity building activities (this includes co-sponsorship with other organizations);
- 4) participate in conferences where various policies and decisions are determined and offer proposals based on the results of its Strategic Research;
- 5) invite researchers from other research and academic institutions others to participate in research, and provide training courses in areas related to the creation of strategies;
- 6) collect, arrange, and provide information related to sustainable development; and
- 7) carry out any further necessary activities to achieve the objectives of the Institute.

(Working languages)

Article 5

Working languages of the Institute shall be English and Japanese.

Chapter 2 Assets and Accounting

(Composition of assets)

Article 6

1. The assets of the Institute shall be comprised of the following:
 - 1) assets recorded in the List of Property as of the establishment of the Institute;
 - 2) assets received as donations from corporations or individuals after establishment;
 - 3) voluntary contributions from governmental agencies, local governments of Japan and other interested countries;
 - 4) grants from private foundations and others;
 - 5) income generated from existing assets;
 - 6) income from fees paid by affiliates;
 - 7) income from regular activities; and
 - 8) any other income.

(Classification of assets)

Article 7

1. The assets of the Institute shall consist of the Principal Fund and the Operating Resources.
2. The Institute’s Principal Fund shall be composed of the following:

- 1) assets listed in the Principal Fund category in the List of Property as of establishment;
 - 2) assets donated specifically to the Principal Fund; and
 - 3) assets that are transferred to the Principal Fund by resolution of the Board of Directors.
3. The Operating Resources shall be those other than the Principal Fund.

(Administration of the assets)

Article 8

1. The assets of the Institute shall be administered by the Chair of the Board of Directors using methods decided by the Chair upon resolution of the Board of Directors.
2. Cash contained in the Principal Fund and the Strategic Research Fund must be preserved using safe and reliable methods that include establishing postal time-deposit accounts or bank time-deposit accounts; entrusting the funds with a trust bank; or purchasing government or corporate bonds.

(Restrictions on the disposal of the Principal Fund)

Article 9

The Principal Fund may not be disposed of or used as collateral. However, in the case where there are unavoidable circumstances when carrying out the activities of the Institute, a portion of the Principal Fund may be disposed of, or all or a portion of the Principal Fund may be used as collateral upon resolution of two-thirds or more of the current number of members of the Board of Directors, with the approval of the Board of Trustees and the approval of the Minister of the Environment

(Strategic Research Fund)

Article 10

1. The Strategic Research Fund shall be set up to ensure that operations are carried out smoothly.
The Strategic Research Fund shall be composed of the following categories of assets:
 - 1) donated assets designated as assets for the Strategic Research Fund; and
 - 2) assets that are transferred to the Strategic Research Fund by resolution of the Board of Directors.
2. The Strategic Research Fund may not be disposed of or used as collateral. However, in the case where there are unavoidable circumstances when carrying out the activities of the Institute, upon resolution of two-thirds or more of the current number of members of the Board of Directors and with the approval of the Board of Trustees a portion of the Strategic Research Fund may be disposed of or, all or a portion of the Strategic Research Fund may be used as collateral

(Payment of expenses)

Article 11

The expenses of the Institute shall be paid from the Operating Resources.

(Business plans and budget)

Article 12

The documents for the Institute's annual business plans and the annual budget necessary for such business plans shall be prepared by the Chair of the Board of Directors. Prior to the start of each fiscal year, these documents must be submitted to the Minister of the Environment upon resolution of more than one-half of the current number of the members of the Board of Directors after receiving the comments by the Board of Trustees. Any revisions to these documents must also follow the same process.

(Provisional budget)

Article 13

1. Notwithstanding the provisions of the preceding article, when the budget for income and expenditures is not formulated due to compelling reasons, the Chair of the Board of Directors may, upon resolution of the Board of Directors, exercise control over revenue and expenses in accordance with the budget of the previous fiscal year until a new budget is formulated.
2. The budget for revenue and expenses referred to in the preceding clause shall become the revenue and expenditures for the newly formulated budget.

(Business reports and settlement of revenue and expenses)

Article 14

1. The Institute's business reports and settlement statements shall be prepared by the Chair of the Board of Directors at the end of each fiscal year and shall include the Business Report, Statements of Revenue and Expenses, Report on Changes in Net Assets, Balance Sheets, and the List of Property. After receiving the auditor's inspection and upon resolution of more than one-half of the current number of the members of the Board of Directors, these documents must be reported to the Board of Trustees and they, within three months after the close of the fiscal year, must be submitted to the Minister of the Environment. In this case, if any revisions were made to the amount of the total of assets, it should be registered within two weeks, and a certified copy of the registration should be attached to these documents.
2. When there are surplus funds in the Institute's revenue and expenses settlement, upon resolution of the Board of Directors all or a portion of this surplus shall be transferred into the Principal Fund or appropriated forward to the next fiscal year.

(Long-term borrowings)

Article 15

When the Institute seeks to borrow funds, upon resolution of two-thirds or more of the current number of members of the Board of Directors and with the approval of the Board of Trustees, authorization must be obtained from the Minister of the Environ-

ment, except for the payment of short-term borrowings with income from that fiscal year.

(Assumption of responsibilities and waiver of rights)

Article 16

In cases corresponding to the provision of Article 9 or provisions in previous articles and with the exception of those matters determined by the budget for revenue and expenses, notice must be served to the Minister of the Environment upon resolution of more than one-half of the current number of the members of the Board of Directors and with the approval of the Board of Trustees, when the Institute seeks to assume additional responsibilities or waive rights.

(Fiscal year)

Article 17

The Institute's fiscal year shall begin on April 1 of each year and end on March 31 of the following year.

Chapter 3 Officers

(Types and number of officers)

Article 18

1. The Institute shall have the following officers:

1) Directors

The Institute shall have at least 15 and no more than 25 Directors.

2) Auditors

There shall be two Auditors.

2. Among the Directors, one-half of the current number of Directors plus one shall be persons of Japanese nationality. In the case the current number is odd, the terms "the current number of Directors" shall signify "the current number minus one".
3. Among the Directors, there shall be one Chair of the Board of Directors.
4. Among the Directors, there shall be one or two Vice-Chair(s).
5. Among the Directors, there shall be one President.
6. Among the Directors, there may be one Vice-President.
7. Among the Directors, there shall be one Managing Director.

(Elections and other matters)

Article 19

1. The Directors and Auditors shall be elected by the Board of Trustees.
2. The Directors shall mutually elect the Chair of the Board of Directors, one or two Vice-Chair(s), the President, the Vice-President and the Managing Director.
3. The Directors, Auditors, and Trustees cannot simultaneously serve in another position.
4. The number of Directors that are relatives or have special mutual relations shall not exceed one-third of the total number of Directors.
5. The Auditors shall not be relatives or have special mutual relationships.
6. Any changes among the Directors shall be registered within two weeks and reported without delay to the Minister of the Environment together with a certified copy of the register.
7. Any changes among Auditors shall be reported without delay to the Minister of the Environment .

(Duties)

Article 20

1. The Chair of the Board of Directors shall represent the Institute and exercise general control over the business thereof.
2. The Vice-chair(s) shall assist the Chair of the Board of Directors and in the event that the Chair becomes incapacitated or is absent, a designated Vice-Chair shall execute the duties of the office of the Chair in accordance with the previously determined intentions of the Chair in an order determined by resolution of the Board of Directors.
3. The President shall direct the operation of Strategic Research, its related training and other matters of the Institute as stipulated in Article 42.
4. The Vice-President shall assist the President and execute the duties of the office of the President in the event that the President becomes incapacitated or is absent.
5. The Managing Director shall assist the Chair of the Board of Directors and the Vice-Chair(s) and shall, under the guidance of the Chair and the Vice-Chair(s), exercise control over and dispose of the ordinary business of the Institute which is not within the duties of the office of the President.
6. The Directors shall comprise the Board of Directors, and they must resolve matters related to the business of the Institute in accordance with the provisions under these Articles of Association.

(Duties of the Auditors)

Article 21

The Auditors shall:

- 1) audit assets and accounting;
- 2) audit the execution of business activities by the Directors;
- 3) report irregularities found through the auditing of assets, accounting, and the execution of business activities to the Board of Directors and the Board of Trustees, or Minister of the Environment ; and
- 4) when it is necessary to report on matters in the preceding item, request a convening of or convene the meetings of the Board of Directors and the Board of Trustees.

(Terms of office)

Article 22

1. The terms of office for the Officers shall be three years. However, officers shall not be prevented from being reelected to a second term.
