

Potential sector and approach to formulate JCM projects

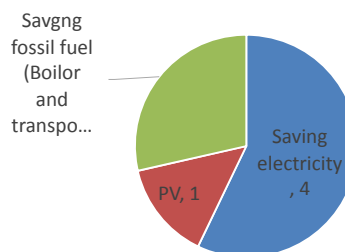

Akihisa Kuriyama
Institute for Global Environmental Strategies
2015/10/27

Current JCM projects in all the partner countries

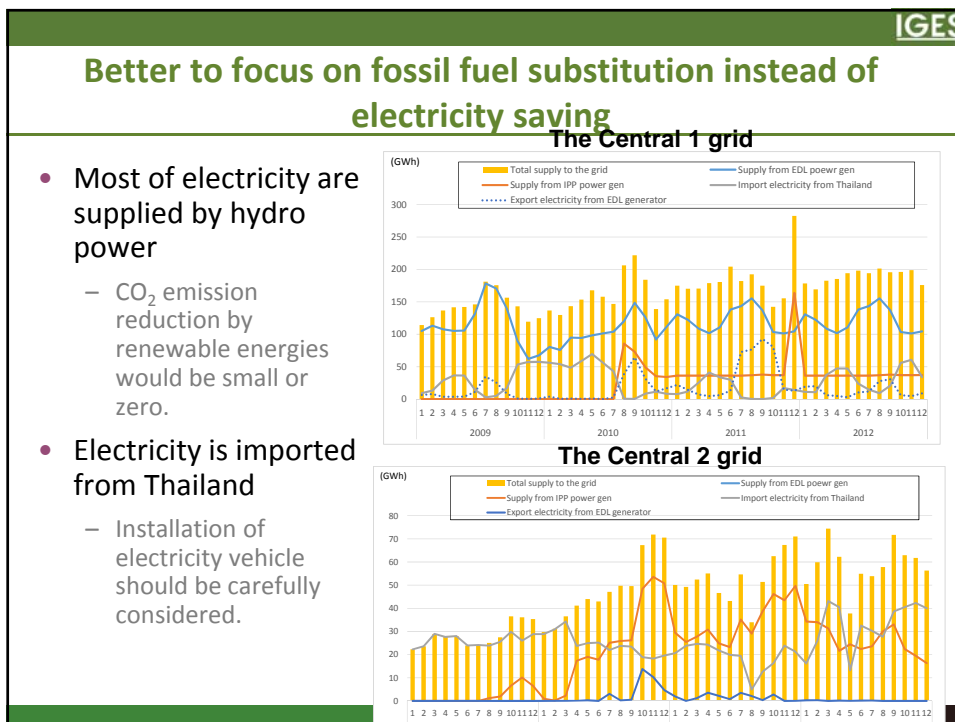

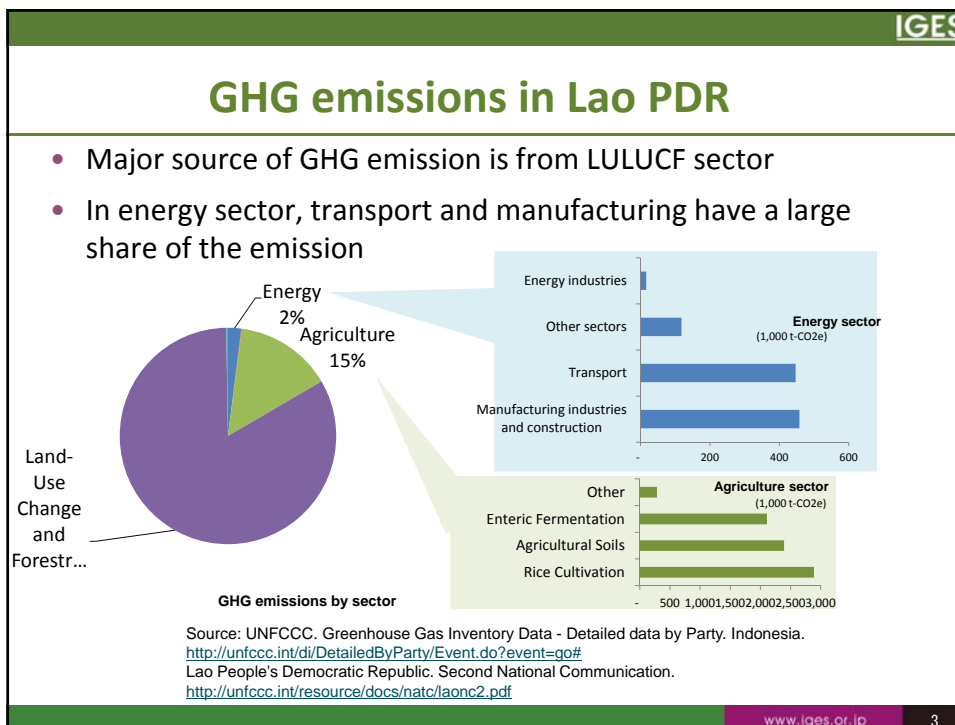

- Saving electricity from the grid is major type of JCM project
- Saving fossil fuel at boiler or vehicle has also potential.

JCM model projects

JCM registered projects

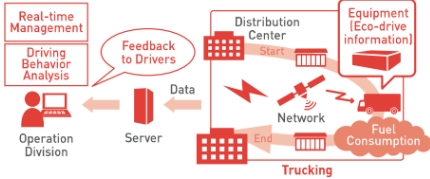

IGES

Potential JCM projects in Lao PDR

Fossil fuel saving for vehicle

Viet Nam	Eco-Driving by Utilizing Digital Tachograph System	JCM registered project
----------	--	------------------------

Fossil fuel saving at boiler

Mongolia	Centralization of heat supply system by installation of high-efficiency Heat Only Boilers in Bornuur soum Project	JCM registered project
----------	---	------------------------
