

## Invitation for Webinar

# The 11<sup>th</sup> High Level Seminar on Sustainable Cities

We are pleased to invite you to the 11<sup>th</sup> session of the High Level Seminar on Sustainable Cities (HLS) that is annually organized under the framework of the East Asia Summit Environmental Ministers Meeting. The 11<sup>th</sup> HLS, organized on-line for the first time will share on-going and planned initiatives pursuing sustainable and resilient city development in the region by cities and other relevant stakeholders and exchange views on opportunities and challenges in transforming cities more trans.

The seminar consists of three parts – the high-level opening session, thematic session focusing on the SDGs and climate change, and closing session focusing on city resiliency and solidarity for better future.

*10<sup>th</sup> HLS in Bali, Indonesia, 2019*

**Where:** Zoom (Philippine time, UTC+8)

[Click here for more information](#)
