

## COP28 Japan Pavilion side event

# Accelerating International Collaboration towards a Net-zero and Resilient ASEAN

8 December 2023

13:00-14:15

Japan Pavilion (OA09G3)

IGES Activity on UNFCCC

**COP28 UAE**

<https://www.iges.or.jp/en/projects/cop28>

# Framing presentation

# Processes up to now

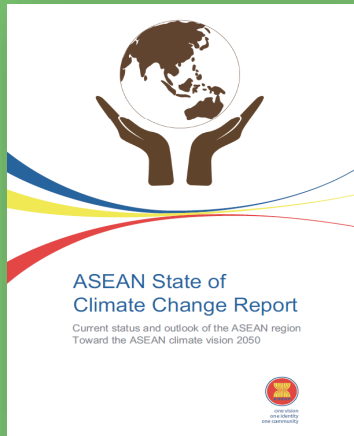

*Former SG's remark at  
COP26 Nov. 2021*

*ASEAN-Japan Summit  
in Nov. 2022*

*COP27 side-event in  
Nov. 2022*

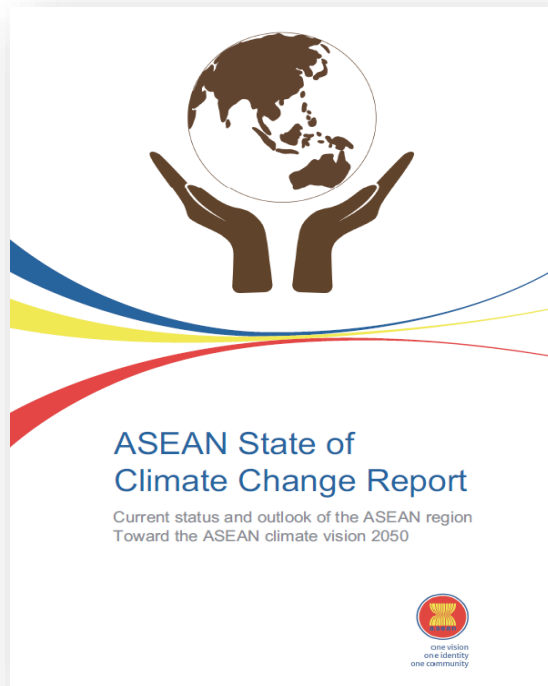

**ASEAN's  
Net-zero  
transition by  
middle of  
century**

**Support on  
development of  
ASEAN's climate  
change strategy**

**ASEAN's current  
climate change  
actions and future  
steps**

# ASEAN Climate Vision 2050

Unprecedented regional challenge calls for ASEAN's **long-term vision and roadmap** to tackle climate change

- Gaps
- Good practices
- Capacity building opportunities

Transparency

ETF & GST

Acquaint

Current status of ASEAN

- Gaps
- Good practices
- Capacity building opportunities

Realising self-enforcing, and self-sustaining ambition loop

AIIM pathway toward PA goals  
(Transparent and Transformative)

In alignment with national/regional development priorities

Integrate, Involve and Motivate

**Resilient Net-zero ASEAN**

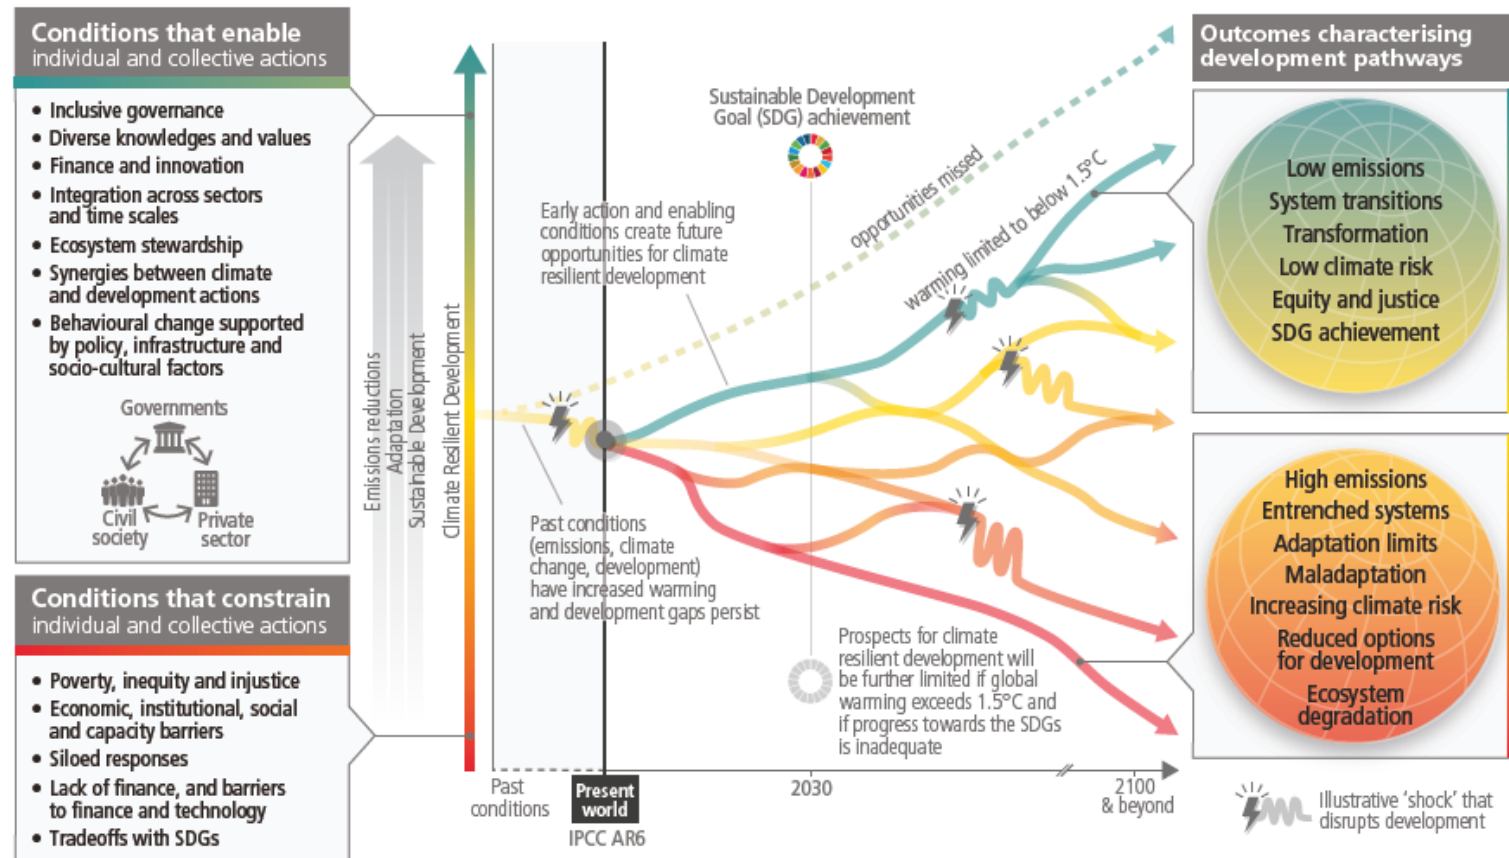

PA long-term goals after 2050

Adaptation  
Enhanced adaptive capacity  
Mitigation  
Net-zero emissions (1.5°C, 2°C)

**Transformation**  
(Higher ambition)

# Co-creating Macro-frame to Navigate ASEAN to a “Net-Zero Climate Resilient Development Pathway” to its goals

*Developing macro-frame of national long-term roadmap to synergise mitigation and adaptation by considering the ASEAN’s developmental contexts and vision, long-term climate goal, and transition pathways.*

# ASEAN Climate Change Strategic Action Plan 2025-2030

- I. Accelerate implementation of AMS' NDCs and AWGCC Action Plan;
- II. Integrate common actions or activities;
- III. Enable transitions toward long-term vision;
- IV. Link with ASEAN Centre for Climate Change

## ASEAN Community Vision 2025

- ASEAN Socio-Cultural Community Blueprint 2025

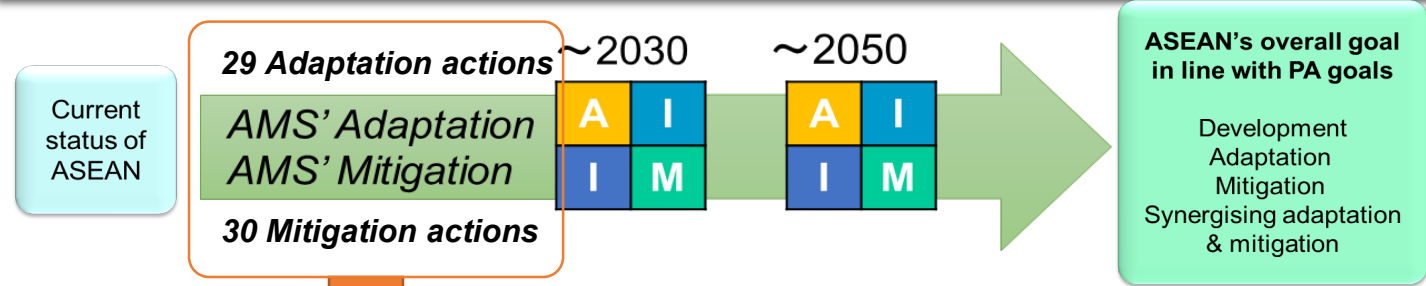

## (draft) ASEAN Strategic Plan on Environment (ASPEN) 2016-2025

- Strategy priority 5: Climate Change

### AWGCC Action Plan 2019-2025

1. Climate Change **Adaptation**
2. **Long-term Planning** & Assessment of NDCs
3. Climate Change Mitigation
4. Climate Modelling and Assessment
5. MRV and Stocktake of GHG emissions
6. **Climate Finance** and Market
7. Cross-sectoral Coordination
8. **Technology Transfer**

## ASEAN Climate Vision 2050 shown in ASCCR

*Prioritised actions guided by long-term regional climate vision (net-zero emission)*

## ASEAN Climate Change Strategic Action Plan 2025–2030 (ACCSAP)

**Stronger synergies**

*Cross-pillar, cross-sector, and cross-country coordination → Mainstreaming CC Actions*

### Sectoral / cross-sectoral plans

#### Sectoral plans:

**Energy:** APAEC 2016-2025 (7 areas and strategies for each area); **Food, Agriculture, and Forestry:** SP-FAF 2016-2025 (7 areas and strategies for each area); **Transport:** ASEAN Transport Strategic Plan 2016-2025 (5 areas and strategies for each area); **Infrastructure:** Master Plan on ASEAN Connectivity 2025 (5 strategic areas and 6 core areas), etc.

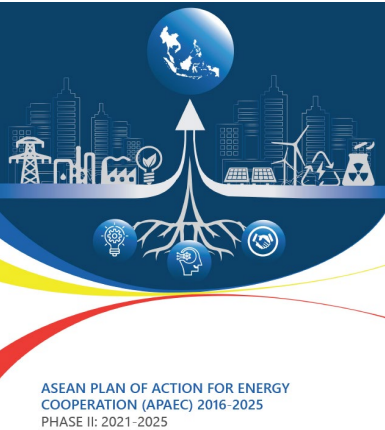

#### Cross-sectoral plans:

**Finance:** ASEAN Taxonomy for Sustainable Finance, etc.

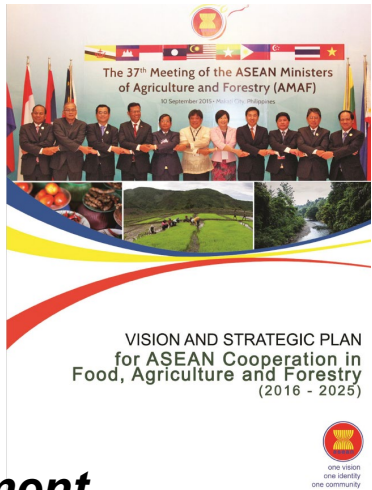

# Mainstreaming Climate Change Actions via ACCSAP

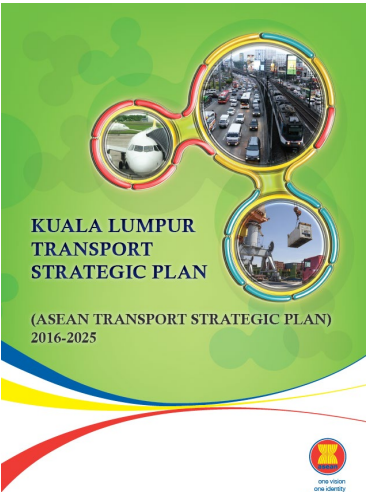

**Energy:** APAEC 2016-2025 (7 areas and strategies for each area);

**Food, Agriculture, and Forestry:** SP-FAF 2016-2025 (7 areas and strategies for each area);

**Transport:** ASEAN Transport Strategic Plan 2016-2025 (5 areas and strategies for each area);

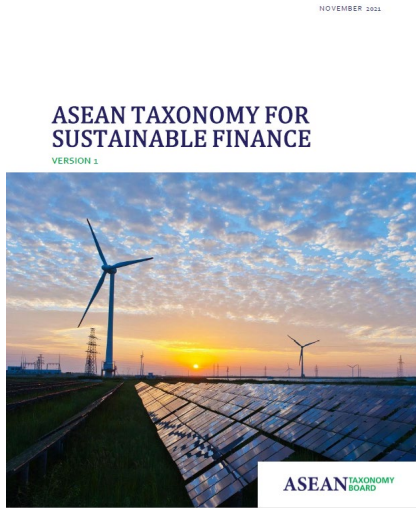

**Infrastructure:** Master Plan on ASEAN Connectivity 2025 (5 strategic areas and 6 core areas),

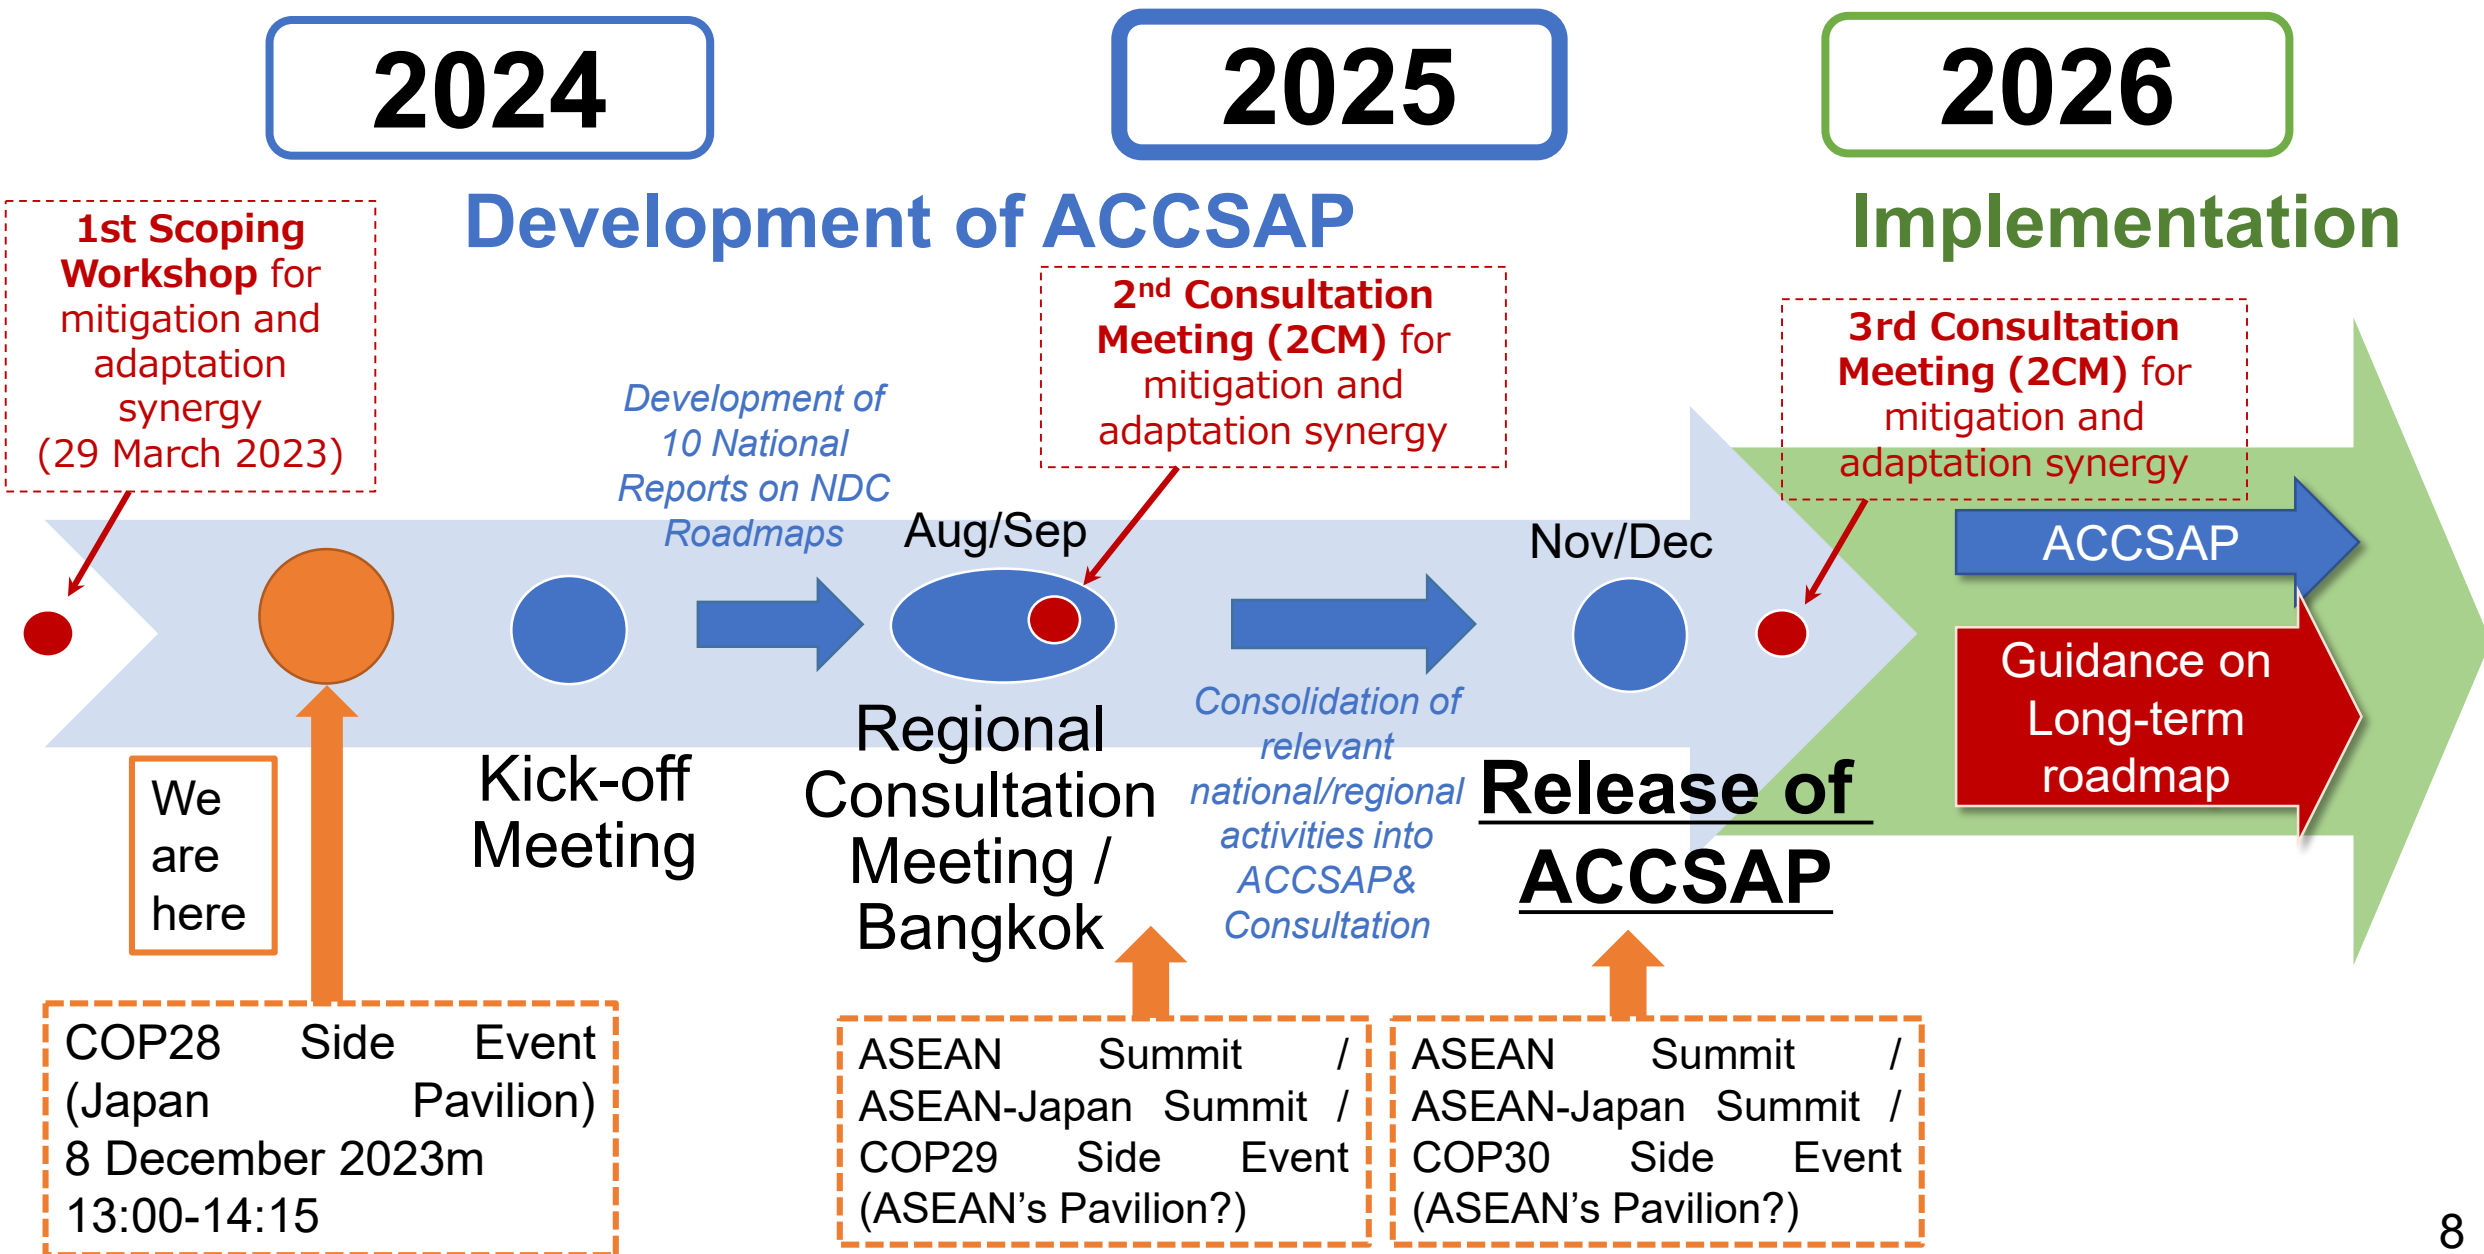

**Disaster Risk Reduction  
& Climate Change  
Adaptation**

**Finance:** ASEAN Taxonomy for Sustainable Finance

# Timeline

# Panel Discussion

# Processes up to now

*Former SG's remark at  
COP26 Nov. 2021*

*ASEAN-Japan Summit  
in Nov. 2022*

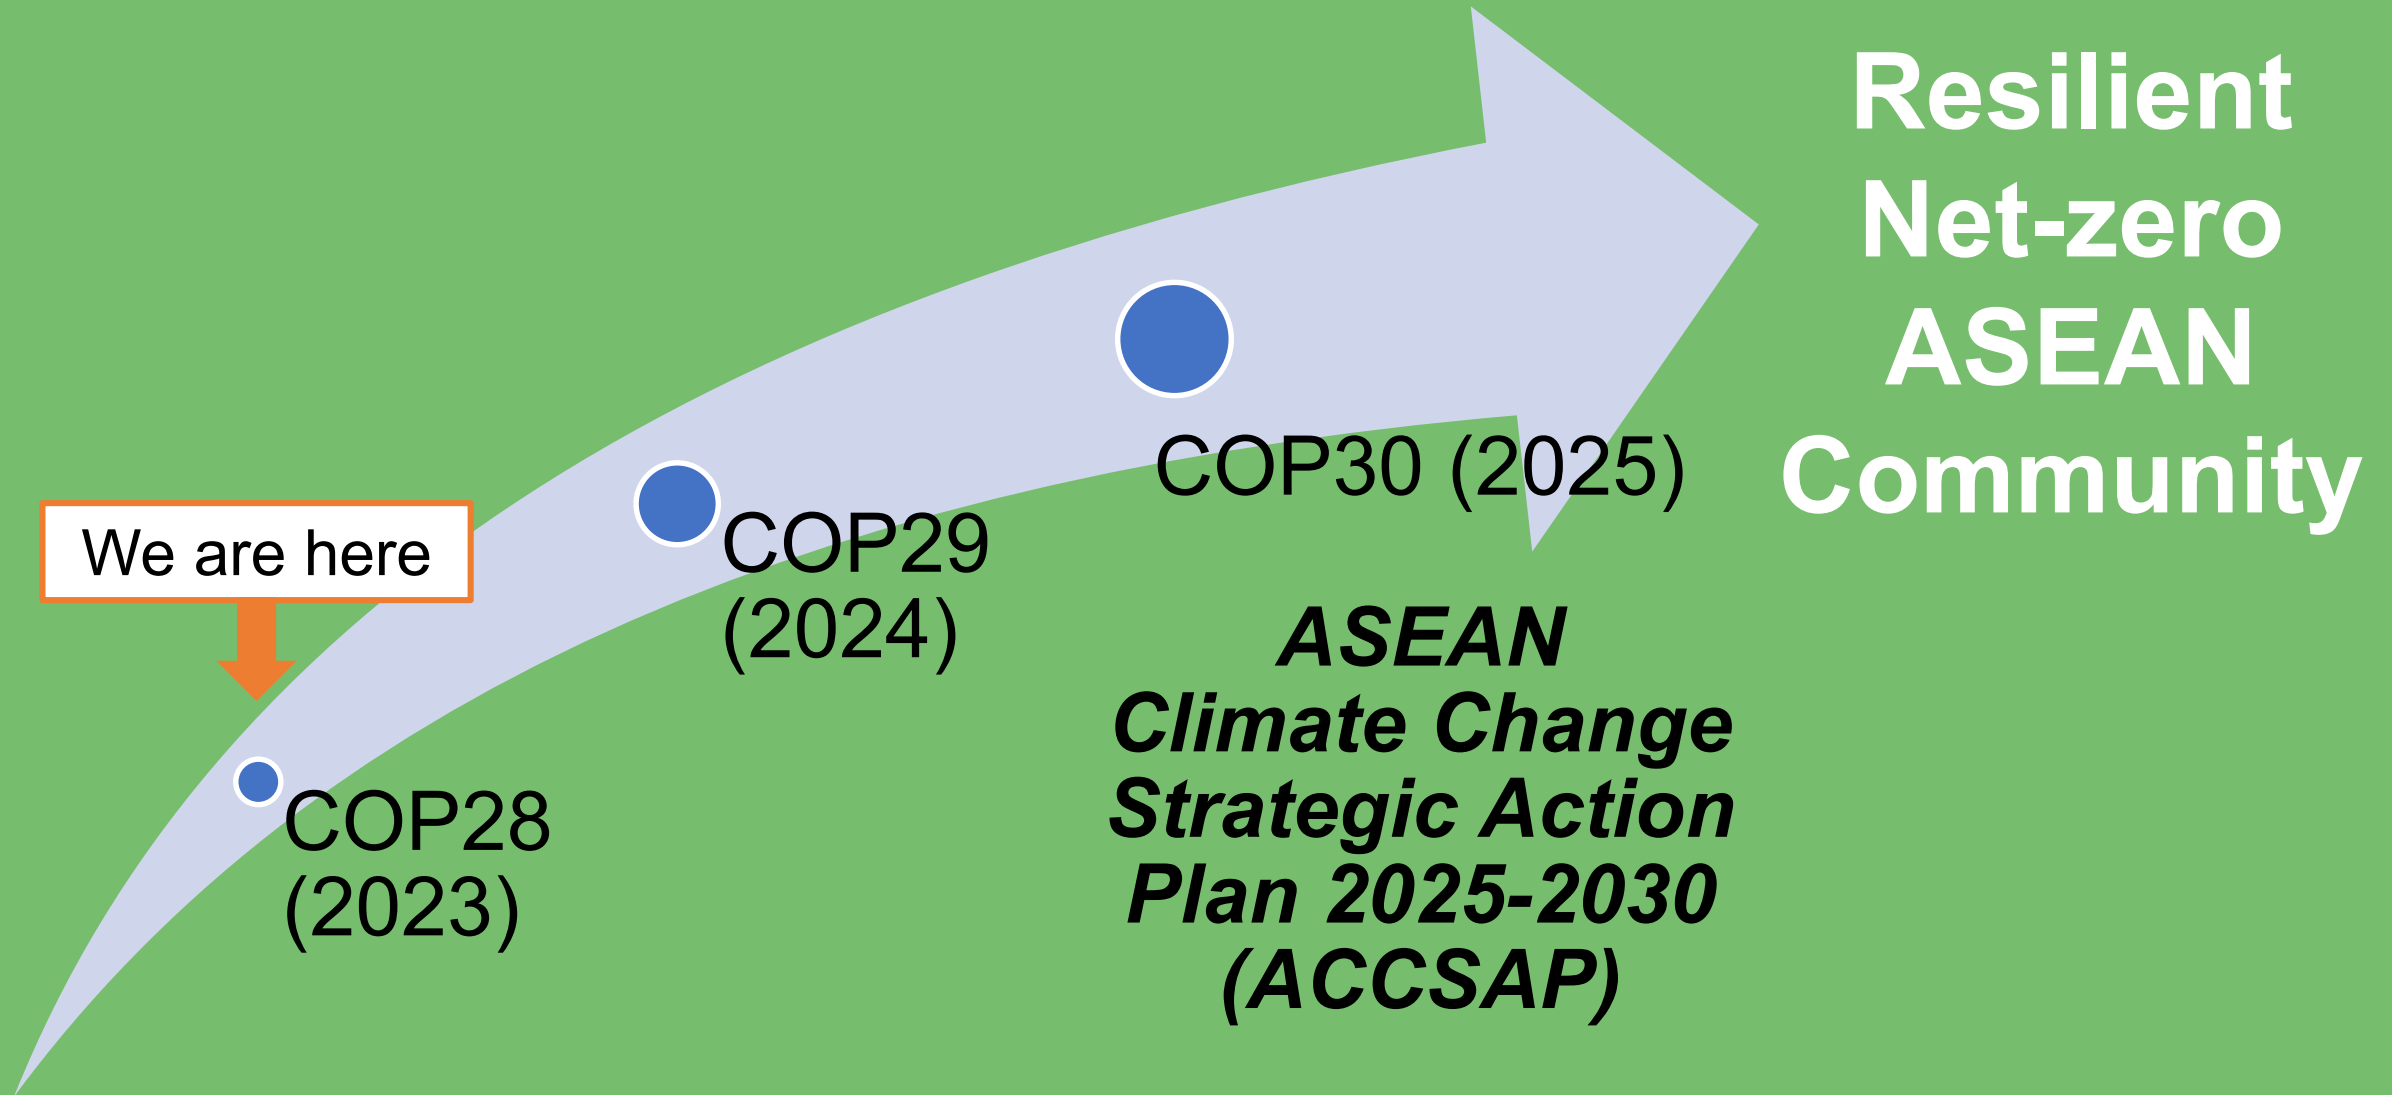

*COP27 side-event in  
Nov. 2022*

**ASEAN's Net-  
zero transition  
by middle of  
century**

**Support on  
development of  
ASEAN's  
climate change  
strategy**

**ASEAN's  
current climate  
change actions  
and future steps**

# Co-creating ASEAN Climate Change Strategic Action Plan 2025-2030 (ACCSAP) toward resilient net-zero ASEAN Community

# Panelists

**1. Vong  
SOK,**  
*Head,  
Environment  
Division,  
ASEAN  
Secretariat*

**2. Yulia  
SURYANTI,**  
*Director of  
Climate  
Mitigation,  
Directorate  
General of  
Climate Change,  
Ministry of  
Environment  
and Forestry  
Republic of  
Indonesia*

**3. Nasri  
TAHIR,**  
*International  
Affairs Officer,  
Brunei Climate  
Change  
Secretariat,  
Prime  
Minister's  
Office*

**4. John  
Leo C.  
ALGO,**  
*National  
Coordinator,  
Aksyon Klima  
Pilipinas /  
Youth  
Advisory  
Group for  
Environmental  
and Climate  
Justice*

**5. Franck  
LECOCQ,**  
*Director,  
International  
Research  
Center on  
Environment  
and  
Development  
(CIRED)*

# Discussion points

- [1] *Expectations for ACCSAP from a long-term point of view*
- [2] *Strategic priority actions of ACCSAP to accelerate NDC implementation in ASEAN by international collaboration*
- [3] *Expectations for ASEAN Centre for Climate Change for sustainable transition to long-term climate and development goals of ASEAN*

# Thank you very much.

The project on long-term roadmap to synergise mitigation and adaptation in ASEAN countries is supported by the Environment Research and Technology Development Fund (JPMEERF20221C06) of the Environmental Restoration and Conservation Agency provided by MOEJ.
