Transition towards a low-carbon future is **urgent...**

The logo for the Paris 2015 UN Climate Change Conference (COP21-CMP11) is displayed. It features a green and yellow triangular graphic on the left side, with a stylized Eiffel Tower at the bottom. The text 'PARIS 2015' is written in a large, bold, sans-serif font, with 'PARIS' in dark blue and '2015' in green. Below this, 'UN CLIMATE CHANGE CONFERENCE' is written in a smaller, dark blue, sans-serif font. At the bottom, 'COP21-CMP11' is written in a large, bold, dark blue, sans-serif font. The entire logo is tilted slightly to the right.

This transition has been bringing **newer dimensions** to the geopolitics of resource diplomacy...

Fossil fuels, upon which traditional **resource diplomacy** has rested, is loosing its importance...

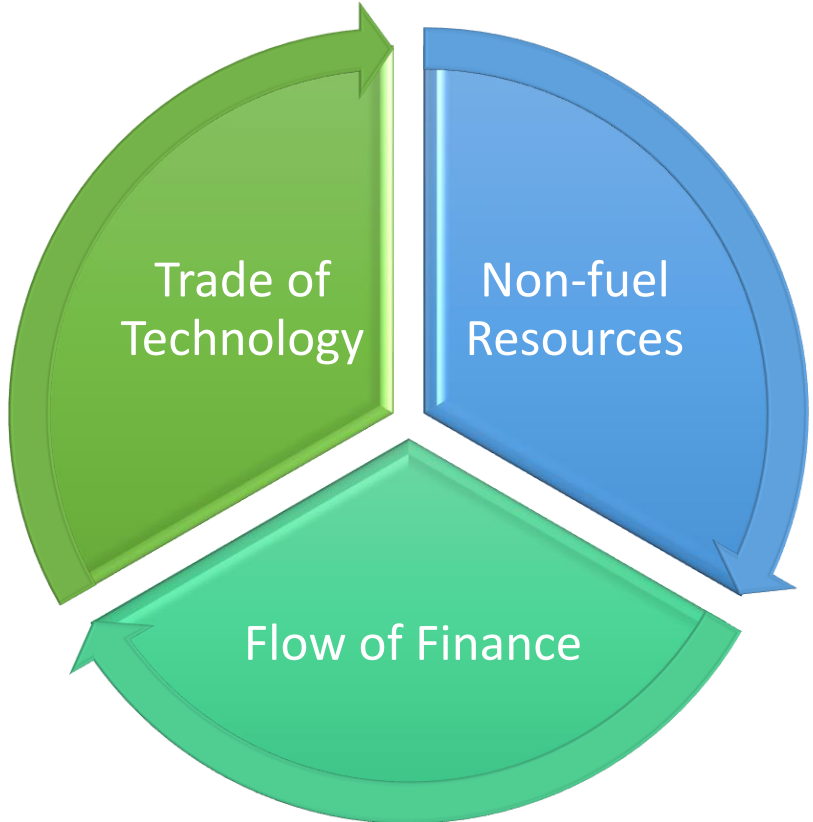

Transition is driven by technology  
and...

... is mineral  
intensive...

# Spillover

# Geopolitics

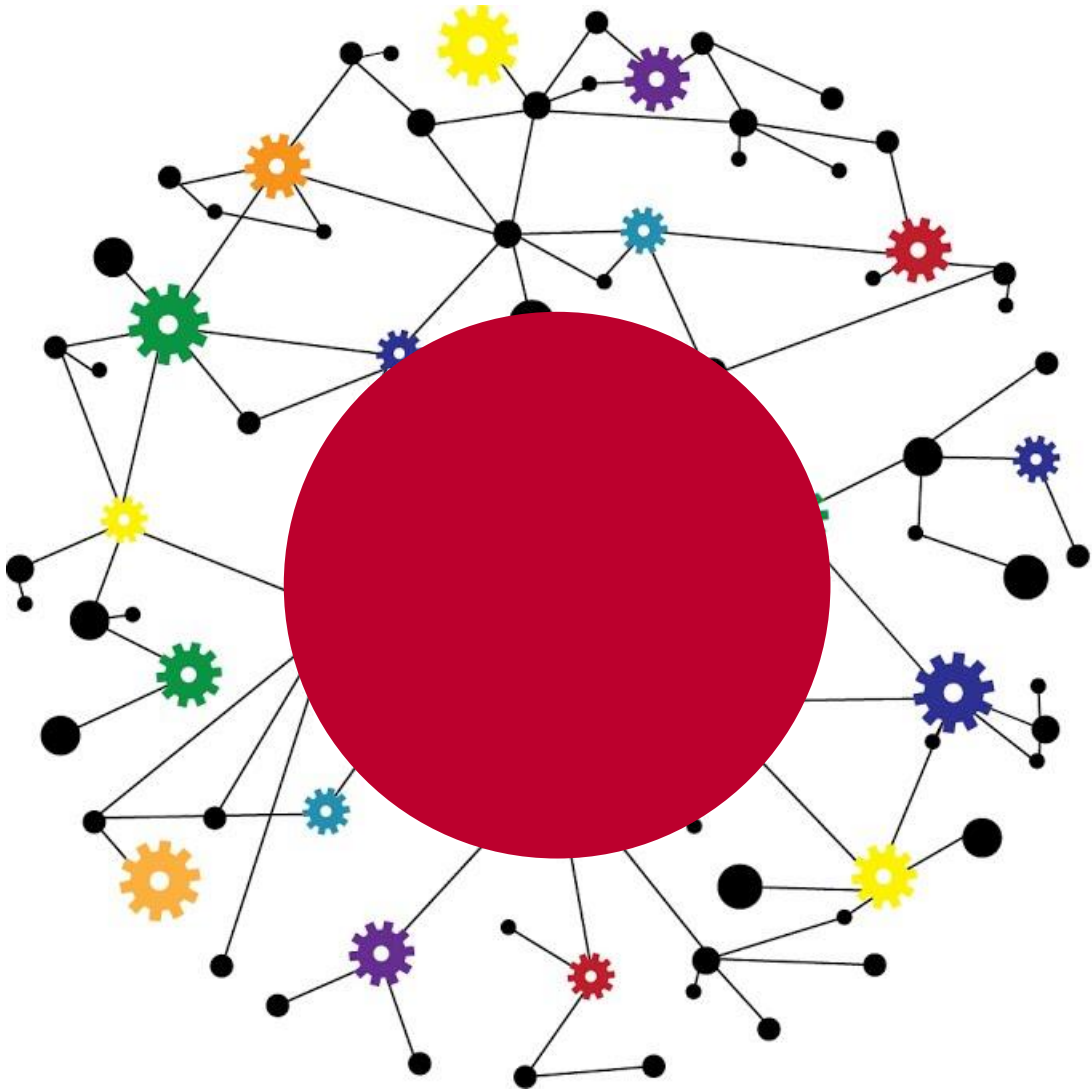

Asia must adapt to this  
evolving landscape.  
Diversification is key...

Vision, Agility, Collaboration
