C&C Announced The Integration of Computers and Communications

1977

The aspiration of enabling people throughout the world to connect anytime, anywhere, and with anyone, is aligned with the SDGs aspiration to "leave no one behind."

Transformation into a Social Value Innovator

2013

Orchestrating a brighter world

As the value expected by customers and society changed from our tangible technologies and products to the intangible creation of value, we responded under the Mid-term Management Plan 2015 by declaring our intention to transform into a Social Value Innovator.

Mid-term Management Plan 2025 Seize the Future Together

In May 2021, we formulated the Mid-term Management Plan 2025, a five-year plan to achieve the NEC Way and the NEC 2030VISION. Under this plan, we are promoting purpose-driven management with strategy and culture positioned as one.
