

FY2025 A6IP's Planned Activities

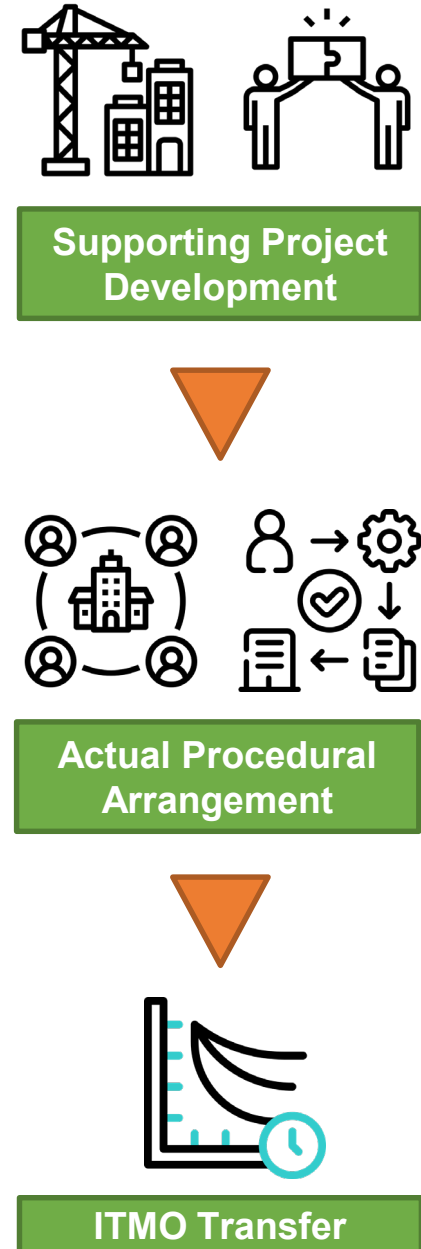

Hayato NAKAMURA
Program Manager
Paris Agreement Article 6
Implementation Partnership Center

Adapting the new phase of Article 6 Implementation

- Baku Decisions
Article 6 became fully operationalized
- Project development and implementation should be a driver for Article 6 implementation
- 5 years towards 2030 - needs to accelerate pace for mitigation

To be put
in the
context of
the actual
project
cycle
