# G20 Youth Summit

- “Regional Revitalization and Partnership”
- “Think Locally, Act Globally”
- 13 different breakout sessions organized by 50 organizations

# Youth Compact

- Youth mapping, which allows access to where and what kind of youth organization are there
- Authentication system to identify the youth groups that are essentially understanding SDGs and actually working towards them
- Method for identifying groups that are active and demonstrates accountability through semiannual reporting

(E.g.)

Organization: Mirai Midori Hokkaido

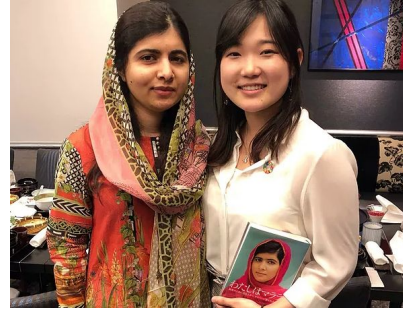

Contributing to: SDGs 13, 15

Region: XX City, Hokkaido

Activities: Protecting forest and wide life by raising awareness of climate change among the local community
