Way Forward from Tokyo Conference

- 1) Strengthening the evidence base for synergistic action,
- 2) Convening multi-stakeholder dialogues at all levels,
- 3) Enhancing integrated planning,
- 4) Partnerships for transformation,
- 5) Informing key intergovernmental processes on climate and the SDGs.

Youth Policy Proposal at Tokyo Conference

1. Creating new Norms and disseminating standards necessary to shift the world in the direction of the SDGs and accelerate progress in the eight years leading up to the achievement of the SDGs from 2023,
2. Policies and Norm making that go beyond the SDGs and climate change and incorporate synergies in terms of biodiversity and resilience
3. Meaningful youth participation
