Sustainable Urban Development in Nusantara Capital City, Indonesia

Diani Sadiawati – Nusantara Capital City Authority

Suwon, 23 Oct 2023

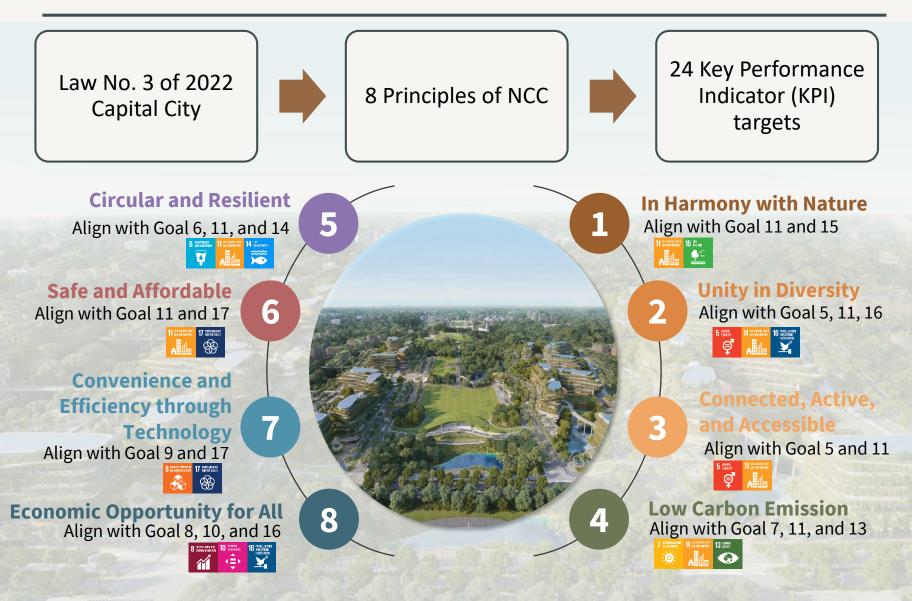

Nusantara Capital City (NCC)

- NCC is in East Kalimantan Province
- NCC is divided into 3 areas
- The development is timely divided into 5 stages:

Phase 1 (2022 – 2024) Phase 2 (2025 – 2029) Phase 3 (2030 - 2034) Phase 4 (2035 – 2039)

Legal Basis For NCC Development

NCC Development and SDGs

NCC development supports the realization of SDGs based on 5Ps:

- 1. People
- 2. Place
- 3. Planet
- 4. Partnership
- 5. Peace

The monitoring of SDG localization in NCC development commences with the Voluntary Local Review of NCC, which is scheduled for launch in 2024.

People – Unity and Equal

Social strategies:

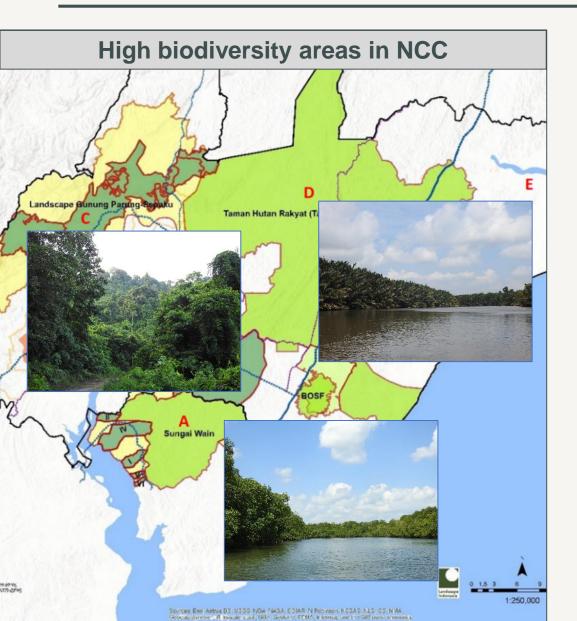

- Preserving assets with significant cultural value that can be accessed by the local community.
- Designing NCC as a city that fosters cultural diversity and integration.
- Establishing strong hubs for inclusive public spaces at the local, regional, and national levels.
- Ensuring equal access to essential infrastructure and diverse housing options.
- Building a climate-resilient community.

Place – Resilient and Connected

Planet – Harmony with Nature

Plans and Policies:

- 1. Establishment of high conservation value and Go/No Go areas legally.
- 2. Develop and apply Biodiversity Master Plan.
- 3. Develop a scheme for the proper management of forest and concession areas.
- 4. Mining land reclamation policy.
- 5. Community involvement policy in conservation and forest areas.
- 6. Policy to incorporate existing and planned exsitu conservation areas.

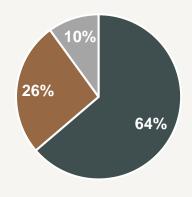

Partnership – Solidarity

Progress:

160 construction packages for the NCC development, with a combined value of **IDR 32,354 billion**. The status are:

- 102 packages have been contracted.
- 42 packages are currently in the bidding process.
- 16 packages are yet to undergo the bidding process.

Contracted In Bidding Yet to undergo bidding

Peace – Lovable City

Thank You
